Amanda – I just went and read Appendix R of the draft FS. If you take the exec summary and intro information from Appendix R and add in the EA data, it would be a good description for Section 1.3. For the Appendix, please update it by calling it Appendix A and removing references to draft RI or draft FS (you can put a placeholder citation for the final RI) and removing the executive summary (we don't need one for an appendix).

Thanks,

Kristine Koch
